Internet Banking – it's Safe. It's Secure and it's FREE!

For those of you who don't know, ASB's Internet Banker is just about the best way for you to keep track of all of your accounts. It gives you the option of letting you see all of your accounts and balances in one easy-to-manage screen. It syncs with most of the common accounting software programs and even offers Money HQ, to let you see all of your accounts everywhere.

Internet Banker has great functions, like letting you nickname your accounts (I, personally have about 4 passbook accounts and can never remember which number is which) and allowing you instant transfers without having to come in or call the office or the Automatic Teller.

Perhaps the coolest option is Automatic Billpay. Bye-bye stamps, worrying whether snail mail will deliver and letting your utility companies earn interest on your money! You can set up your payments to land in their account the day it's due! You can even "write" checks to individuals. And you'll use fewer checks –

AND IT'S FREE!!!

Money Trivia

ALTHOUGH NO ONE IS QUITE SURE WHERE THE DOLLAR SIGN CAME FROM, IT IS SUGGESTED THAT THE SYMBOL WAS ORIGINALLY FORMED FROM OVERLAPPING THE "U" FROM UNITED, AND THE "S" FROM STATES. EVENTUALLY, THE BOTTOM PORTION OF THE U WAS DROPPED, AND THE DOLLAR SIGN APPEARED AS IT IS TODAY.

Meet Bob Smith, President and CEO

Bob is a familiar face at American Savings Bank. He has been at the bank since 1966, when he started as a teller. Bob has held just about every position at the bank. He also sits on the Board of Directors.

Bob is originally from Wheelersburg, a graduate of Wheelersburg High School and Ohio University, he and his family reside just outside of Friendship in Nile Township in the western portion of Scioto County. Many see Bob walking at the Nile Township walking track, occasionally, with his Jack Russell Terrier, Abby.

Bob is very active in the community, as he sits on the Shawnee State University Development Foundation board (and can often be heard cheering on the Bears at basketball games), Kiwanis, Chamber of Commerce, Elks and SOGP. Bob is also very active in banking groups both in Ohio and nation-wide.

Bob likes to travel with his wife, Regina and is an avid golfer.
