

System Upgrade

In order to better serve our customers, we will be performing some system upgrades on the weekend of July 11th. Beginning at 2:00PM, Saturday, July 11, 2009, both the Direct Teller System and Internet Banker will be temporarily down and inaccessible until approximately 12:00PM (noon) on Sunday, July 12, 2009. Our ATMs will remain operational as will your debit card(s), however, your debit card will use offline temporary limits until approximately 4:00PM on Monday, July 13, 2009. These limits may be lower than your standard limits. If you have any questions or concerns about any of these services, please contact our operations department at 740-354-3177 or 1-866-866-3177.

Money Trivia

The derivation of the word "money" goes back to a goddess in Roman mythology. Her name was Moneta and the Romans were so pleased with how she watched over women, protecting their maidenhood and guiding them through marriage, that they built a huge temple in her honor. When Romans began making coins, they placed the mint in her temple and made her guardian of finances. The coins they made were called "Moneta" in her honor. Moneta evolved to the French "moneie" and eventually to the English "money".
